Product code: DVD-D360/XU

Product name : DVD-D360

DVD Player, Component Out, SCART, USB, S/PDIF Out, RCA Out,

[Samsung DVD-D360 DVD player Silver:](#)

All your multimedia content can go straight onto your TV thanks to the D360 and will have you enjoying more content. And with a new slick design, the viewing experience is enjoyable even if you're not even watching TV.

Whatever your content format, transferring and playing is easy

Easy connectivity makes the DVD the essential hub of your home entertainment system. With USB connectivity lets you upload performances you've recorded directly to your digital device and share – without needing to transfer them to a PC first. To the DVD, you can connect devices that use any of a vast variety of file formats – so you can enjoy all this content from the comfort of your own couch.
