rE-versible sleeve MacBook Air 15"

Contour Design rE-versible sleeve MacBook Air 15" 38,1 cm (15") Sleeve case Violet:

Compatible with the MacBook Pro 15-inch, the rE-versible Sleeve follows Contour's dedicated motto of blending functional protection with fashionable style into one convenient package. Completely rE-versible, each sleeve is printed with Contour's own custom patterns on the outside and a solid color on the inside making changing looks as simple as flipping out.

But no matter your choice of style, the rE-versible Sleeve's high quality polychloroprene will always protect against scratches and abrasions, and with the contoured easy grip sewn into the bottom of the sleeve, the only problem will be remembering you have something in your hand.
