The basics, redefined.

Affordable, yet reliable and built to last, G Series laptops are perfect for an entry-level system with essential functionality — and a few performance-boosting extras.

Affordable product, high-price performance.

Running from class to class? Waiting for a flight? Subway? In a coffee-shop? G Series laptops are an affordable way to tackle your everyday computer tasks. Mid-sized, portable laptops under 5 lbs make it easy to check email, enjoy your tunes, or watch a movie anywhere you want. They have all the essentials, and we throw in a few extra touches to make them more than simply "functional." You'll find a surprising level of detail for laptops in this price range.
