

## TP-Link TD-8616 módem

Marca : TP-Link

Código del producto: TD-8616

Nombre del producto : TD-8616

TP-Link TD-8616. Velocidad de carga de datos: 3,5 Mbit/s, Velocidad de descarga de datos: 24 Mbit/s, Características de red: Fast Ethernet. Indicadores LED: Actividad, DSL, LAN. Certificados de cumplimiento: RoHS, Comisión Federal de Comunicaciones (FCC), Certificación: FCC, RoHS, Cumplimientos de normas de la industria: IEEE 802.3, 802.3u. Profundidad: 108 mm, Altura: 28 mm, Ancho: 165 mm

| Desempeño                               |                                                | Condiciones operativas                       |                                                                                                                               |
|-----------------------------------------|------------------------------------------------|----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Velocidad de carga de datos             | 3,5 Mbit/s                                     | Temperatura de operación (T-T)               | 0 - 40 °C                                                                                                                     |
| Velocidad de descarga de datos          | 24 Mbit/s                                      | Humedad relativa de operación (H-H)          | 10 - 90%                                                                                                                      |
| Características de red                  | Fast Ethernet                                  | Humedad relativa sin operar (no condensable) | 5 - 90%                                                                                                                       |
| Características                         |                                                | Temperatura de almacenamiento (T-T)          | -40 - 70 °C                                                                                                                   |
| Indicadores LED                         | Actividad, DSL, LAN                            | Peso y dimensiones                           |                                                                                                                               |
| Puertos e interfaces                    |                                                | Profundidad                                  | 108 mm                                                                                                                        |
| Puertos de módem (RJ-11)                | 1                                              | Altura                                       | 28 mm                                                                                                                         |
| Puertos Ethernet LAN (RJ-45)            | 1                                              | Ancho                                        | 165 mm                                                                                                                        |
