

# iomega StorCenter IX2-200 2 TB

Marca : iomega      Familia de productos: StorCenter      Código del producto: 34481

Nombre del producto : IX2-200

ix2-200, 2TB, CPU 1GHz, 256MB RAM, 3.5" SATA-II, RJ45 10/100/1000Mbps, USB 2.0  
iomega StorCenter IX2-200. Frecuencia del procesador: 1 GHz. Capacidad de almacenamiento total instalado: 2 TB

| Medios de almacenaje                               |                                       | Red                                    |                         |
|----------------------------------------------------|---------------------------------------|----------------------------------------|-------------------------|
| Capacidad de la unidad de almacenamiento *         | 1 TB                                  | Tecnología de cableado                 | 10/100/1000Base-T(X)    |
| Interfaz de unidad de almacenamiento *             | Serial ATA II                         | Rango máximo de transferencia de datos | 1000 Mbit/s             |
| Tamaño de la unidad de almacenamiento              | 3.5"                                  | Puertos e Interfaces                   |                         |
| Capacidad de almacenamiento total instalado *      | 2 TB                                  | Cantidad de puertos USB 2.0            | 3                       |
| Número de unidades de almacenamiento instaladas *  | 2                                     | Puertos Ethernet LAN (RJ-45) *         | 1                       |
| Número de unidades de almacenamiento compatibles * | 2                                     | Desempeño                              |                         |
| Procesador                                         |                                       | Nivel de ruido                         | 27 Db                   |
| Frecuencia del procesador *                        | 1 GHz                                 | Control de energía                     |                         |
| Red                                                |                                       | Consumo energético                     | 19 W                    |
| Cumplimientos estándar de la industria             | IEEE 802.3, IEEE 802.3u, IEEE 802.3ab | Consumo energético (en suspensión)     | 5 W                     |
|                                                    |                                       | Otras características                  |                         |
|                                                    |                                       | Requisitos de energía                  | 100 - 240               |
|                                                    |                                       | Sistemas operativos compatibles        | Windows PC Mac OS Linux |
|                                                    |                                       | Características de red                 | Gigabit Ethernet        |
