

# HP Elite 7200 MT Intel® Core™ i5 i5-2400 4 GB 750 GB AMD Radeon HD 5450 Windows 7 Professional Micro Tower PC

Brand : HP

Product family: Elite

Product code: XT214EA X2

Product name : Elite 7200 MT

| Processor                    |                                   | Operating System              |                        |
|------------------------------|-----------------------------------|-------------------------------|------------------------|
| Processor                    | Intel                             | Operating System              | PC                     |
| Processor family             | Intel® Core™ i5                   | Operating System architecture | 64-bit                 |
| Processor generation         | 2nd gen Intel® Core™ i5           | Operating System version      | Windows 7 Professional |
| Processor model              | i5-2400                           | Operating System language     |                        |
| Processor cores              | 4                                 |                               |                        |
| Processor threads            | 4                                 |                               |                        |
| Processor speed              | 3,4 GHz                           |                               |                        |
| Processor cache              | 3,1 GHz                           |                               |                        |
| Processor socket             | LGA 1155 (Socket H2)              |                               |                        |
| Processor cache size         | 6 MB                              |                               |                        |
| Processor cache type         | Smart Cache                       |                               |                        |
| Processor bus speed          | 5 GT/s                            |                               |                        |
| Processor interface          | DMI                               |                               |                        |
| Processor technology         | 32 nm                             |                               |                        |
| Processor architecture       | 64-bit                            |                               |                        |
| Processor series             | Intel Core i5-2400 Desktop Series |                               |                        |
| Processor architecture       | Sandy Bridge                      |                               |                        |
| Processor power (TDP)        | 95 W                              |                               |                        |
| Processor temperature        | 72,6 °C                           |                               |                        |
| Processor voltage            | 2.0                               |                               |                        |
| Processor cache size         | 16                                |                               |                        |
| Processor cache type         | 31                                |                               |                        |
| Processor cache architecture |                                   |                               |                        |

| Memory            |                         | Memory Controller |                  |
|-------------------|-------------------------|-------------------|------------------|
