Hot Wheels Snake Spiral Attack Playset with 1:64 Scale Die-Cast Toy Car & Speed Snap Track

Hot Wheels City JBM63 toy vehicle:

Race and stunt through the Hot Wheels Snake Spiral Attack Playset that features a massive snake nemesis and two ways to play! Drive onto the set and refuel at the gas pumps that have adjustable hoses, then head into the mini-mart that's also a covert launcher. Slam the launcher with enough power to send cars speeding through the snake's mouth and avoid getting trapped and eaten. When they get caught, pull the snake over and drop in cars on the body-track to send them careening through the curves. One Hot Wheels toy car is included, and there's parking for two additional vehicles on the base. Add other Hot Wheels sets with Speed Snap Track connectors. Additional cars, sets and track sold separately. Colours and decorations may vary.
